

Bethany Christian School
STUDENT ATHLETE
SPORTS CONTRACT

Name _____ Grade _____ Year _____

As a member of the Bethany Christian School athletic team, I commit to a standard of behavior that reflects godly character as revealed in the Bible in all that I do. I also understand that I am a student first and an athlete second.

STUDENT AND PARENT INITIAL EACH:

_____ I will study hard. If I receive any grade in any class less than a C- at the beginning of each week resulting from the week before, it will result in attending mandatory study hall that week and a denial in participation of any games for that week.

Teachers, working with the AD, may require me to turn in any missing assignments before being permitted to play on any given week, even if I have a C- or better.

_____ I will behave appropriately in class. Misconduct may keep me out of practice and/or games.

_____ I will attend practice daily, unless Coach has been given notice of my inability to attend by either my teacher or parent/guardian.

_____ I will respect all BCS personnel and adults at **ALL** times.

_____ I will remain controlled during games and practices. I will act positively toward all players, coaches, referees, and fans.

_____ I must come to practice prepared, with shorts, a t-shirt, and proper shoes (sweats are fine when it is colder). Failure to come prepared will result in extra conditioning during practice.

_____ If I have concerns, problems or thoughts I will first address them with the coach. If the coach cannot resolve the issue, I will communicate with the Athletic Director.

_____ I will participate in all team-sponsored events.

_____ I understand that all playing time decisions are at Coach's discretion and are based on my classroom performance and my on the field performance at practices, scrimmages, and games.

_____ If I do not return my uniform by the required date or if it is damaged unrelated to the sport, then my **\$75.00 deposit check** will be used to replace it.

_____ **The fee for the fall athletic season is \$75. You may choose to pay for the entire school year at a discounted price. \$200 covers all three seasons, spanning the school year. This helps BCS cover the cost of coaches, referees, and equipment. If cost is prohibitive, please talk to the Athletic Director about arranging a payment plan or scholarship opportunities.**

_____ I understand that I must check directly into after school care if my ride home is not
_____ there after any practice or game. **NO EXCEPTIONS.**

Have initialed by:

_____ Coach _____/Mrs. Cucullu
